Coaching institutions for IIT-JEE

204. SHRI S. ANBALAGAN: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether Government is aware of the mushrooming of coaching institutions for IIT-Joint Entrance Examination which charge exhorbitant fees from aspirants and the situation is that only who join costly institutions can make it to IITs;

(b) if so, the details thereof and the steps proposed to be taken by Government thereon;

(c) whether there is any proposal to scrap JEE and to have one (single) umbrella entrance test for all the Central Technology/ Engineering Educational Institutions through AIEEE which should be strictly based on 12th standard syllabus of the Central/State Boards; and

(d) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRIMATI D. PURANDESWARI): (a) and (b) With a view to curb the undue and undesirable burden on the school going children and mushrooming of the coaching Institutions and for giving due weightage to the marks obtained in qualifying board examination, the IIT-Joint Entrance Exam (JEE) has undergone major changes from 2006 onwards. Following reforms have been made in the pattern of IIT-JEE exam from 2006.

(i) JEE continued to be the sole criterion for ranking the students for admission in IITs, IT-BHU, ISM, Dhanbad and other participating institutes;

(ii) School results are factored into admission process for the IITs. Only those students who secure a first-class or equivalent in the +2 examination are eligible for admission to the IITs;

(iii) For the students belonging to SC/ST, there is a relaxation of 5% of marks below the level of the Marks prescribed in the respective examination;
